Summer 2026: Term 6, Week 2

Friday 12th June 2026

St Peter's High School class sessions

On Thursday, we welcomed visiting teachers from SPHS. Mr Williams led Geography lessons for Years 4 & 5 whilst both classes also participated in a highly energetic and interactive Drama session with Mrs Skyrme

The children really enjoyed the activities and it was a great opportunity for them to experience teaching from our secondary colleagues and to develop their geography and drama skills.

Sports Reports

Netball match

We had our first competitive rounders match of the season on Wednesday at Barnwood primary school. We knew it would be a tough match as Barnwood have a reputation for being a very well-trained and formidable opponent. We won the toss and elected to field first. The standard of our fielding was very impressive with some excellent catches and throws and our teamwork in sending the ball was crucial in limiting Barnwood's rounders. After we had fielded, we had an enforced break due to a sudden downpour (thankfully we were refuelled by our hosts' chocolate snacks). We then came out to bat as the rain was easing off. We were cautious with our batting but managed to score a few rounders and avoid being stumped out too. The final score was Barnwood 8.5, St Mary's 5 which doesn't reflect how close in batting and fielding we actually were.

Managers' player: Borna - for scoring two excellent rounders in very wet and slippery conditions

Players' player: Saul - for his excellent catches

Miss Harrison & Mrs Fredrickson

Tag Rugby

Due to cancellation of fixtures, we are playing catch-up and the away match (vs Elmbridge) was only our second league tie.

We opened the season with a convincing 10:3 victory (away vs Churchdown) and this performance definitely built on that start.

We started strongly and, after an exchange of scores, our excellent tagging forced errors from the opposition. Thankfully we capitalised on the turnover ball and opened up a 5 try lead (at half-time).

The second half was just as impressive with only one error (a controversial disallowed try for diving) and some excellent finishing.

Final score: Elmbridge 9:14 St Mary's

Manager's players: Ollie (for his trickery and try scoring) & Quinn (for his calm and consistent contribution).

Players' player: Cohen (great handling and excellent try scoring)

Mr Jordan

Values Role Models

Each week, class staff identify three pupils who are truly representative of the school values (in their learning, play and / or by contributing to the wider life of the school).

This week's values role models are:

			
Reception	Atticus	Phoebe	Ariyah
Year 1	Eleanor	Melinda	Nathaniel
Year 2	Rose	Maisie	Mary
Year 3	Arya	Jesus	Marko
Year 4	Farai	Lillie	Anna A
Year 5	Nancy	Reuben	Evie
Year 6	Grace	Saul	Oscar

Heathy living workshops

We were visited this week by Tom from Coram SCARF. He ran a workshop for years R to 5 about ways to keep our bodies healthy, and the importance of good sleep, healthy eating and exercise.

Tom also brought his friend Harold the Giraffe, who the children know from their PSHE lessons, and he helped Tom deliver the sessions.

Key content of workshops

Children will:

- Understand that there is mental as well as physical health and discover what they can do to improve or maintain their mental health.
- Understand the key elements of a balanced, healthy lifestyle
- Recognise the impact of diet, exercise, drugs (including medicines) and lifestyle on the way their bodies function.
- Identify feelings and emotions - in themselves and others - and how doing this can help to maintain positive mental health.
- Identify qualities of friendship; reasons why friends sometimes fall out; skills for making up again

Year 3 Forest School

This week year 3 found 6 baby newts in the pond and picked some raspberries that we had grown to give them a taste test.

FOREST SCHOOL TIMETABLE (Term 6): For Forest School children should wear their basic kit - with shoes, to school and bring wellies & waterproofs (plus any extra clothing items) in a separate (**named**) bag.

'You Won't Know Until You Ask': Helping Families Talk About Online Content:

The government has launched a new campaign called You Won't Know Until You Ask. It is designed to help parents and carers talk to children about harmful or upsetting content they may see online — things like body-shaming, unkind posts, or videos designed to shock. Research shows that many parents have never talked to their child about this, even though most 11-year-olds now have a smartphone. Many adults say they are not sure what their child is seeing online.

The campaign gives simple, easy-to-use help, including:

- step-by-step guides for safety settings
- quick conversation ideas
- tips for talking about false or harmful information

These small conversations can make a big difference. They help children understand what they see online and know they can talk to a trusted adult.

You can find the campaign here: <https://kidsonlinesafety.campaign.gov.uk>

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can go to their local pharmacy with their child and ask for help.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over
